### Joint Memberships with National Associations

We maintain a joint membership program with many national associations. The benefits available to joint members include all benefits of fully-paid regular membership, *except* receiving the printed version of the *International Journal of Epidemiology*.

Joint Memberships for Europeans are 40.00 USD (15 USD goes directly to the European Epidemiological Federation). All other joint memberships are 25.00 USD. You may select the joint membership option when you **Join or Renew** online.

We actively solicit applications from national organizations. If your organization would like to apply for joint membership, they may **contact us** for details.

*Affinity memberships are noted with an asterisk.*

Name of Association	
<i>Proof of membership in the national association should be provided. National membership must be current for the entire period of subscription.</i>
